## Backed by EICM & Lloyd's

We offer international healthcare insurance with the reassurance of solid backing and proven expertise. Securus Expacare policies are underwritten by both EICM (Expacare Insurance Company Mauritius) & insurers within Lloyd's of London - the world's leading specialist insurance and reinsurance market writing business in more than 200 countries and territories worldwide.

## Total Flexibility

With competitive rates available for Individuals and Small Groups of 5+ employees, we are able to tailor a package for larger groups to meet their requirements.

## Top-Up Cover

Complement your existing local cover to increase your annual limit and give yourself the possibility to seek treatment abroad in case of any unforeseen event. Securus Supercare Scheme offers you an "In Patient" cover up to US\$ 1,500,000 per year with an annual excess of US\$ 15,000. It has never been more affordable to be covered globally than through Securus Supercare Scheme.

## Ease of Claims

Wherever you are, with one phone call, we can direct you to the nearest suitable medical facility. We give you the freedom to choose where you receive treatment and if you don't know where to go, we'll help you find a suitable local facility there and then.

## Price Stability

Thanks to efficient and effective claims management we've been able to keep premium increases as low as possible during our 28-year history. We work closely with Expacare underwriting team to keep pricing consistently low and fair, so you could plan effectively and are not adversely affected by major cost fluctuations.

## Problem Solving

Along with flexible products, we take a tailored approach to client servicing – often thinking outside the box to find innovative solutions that ensure the best outcome for members.
